Q02. Would you like to share with us details of your recent visit with Gold Coast Chrysler Jeep Dodge?

Happy with the 80K capped price service. I asked for a couple of things to be looked at, replacement parts had to be ordered from Melbourne (no probs, you can't be expected to carry all replacement parts) A time will be made when parts arrive to fit. I noticed that the car was not washed when I picked it up. I did not ask for it, but expected it would be done as part of the service.
